1. On December 20, 2022, the Court held a status conference which addressed, *inter alia*, Defendants' request for leave from the Court to file a sur-reply in support of their opposition to Class Plaintiffs' class certification motions.
2. During the December 20, 2022 status conference, the Court granted Defendants' request for a sur-reply and held that the sur-reply "must be filed within one week" and "Class Plaintiffs will then have one week to file a sur-surreply in response to the Defendants' surreply." Dkt. 1692 at 2.

3. On December 22, 2022, Defendants filed their sur-reply, making the deadline for Class Plaintiffs to reply to Defendants' sur-reply one week later, December 29, 2022.
